INFORMATION NOTE ON DATA PROTECTION

Registration of UAS operators

The purpose of this information note is to inform data subjects on the processing of their personal data by the Directorate of Civil Aviation ("DAC") in the context of the registration of UAS operators.

Identity and contact details of the controller

Direction de l'Aviation Civile (DAC)

4, rue Lou Hemmer

L-1748 Findel (Luxembourg)

Tel.: 00352 247 74900

E-Mail: civilair@av.etat.lu

Purpose and legal basis for the processing

Personal data are processed for the purpose of aviation security by guaranteeing that UAS operators are identified and identifiable by registering in the national database.

The legal basis for this processing is Commission Implementing Regulation (EU) 2019/947 of 24 May 2019 on the rules and procedures for the operation of unmanned aircraft.

Recipients (or categories of recipients) of the personal data

Personal data are accessible and processed by the DAC UAS & new technologies Department.

They can be transferred to the European aviation safety agency (EASA) in accordance with applicable regulations.

Transfer to a third country or international organisation

No personal data is transferred to a third country or an international organisation.

Period for which personal data will be stored

Personal data are stored for a maximum period of 10 years after the deregistration of the operator.

Right to request access to and rectification or erasure or restriction of processing and to object to processing

The data subject has the right to request from the controller access to and rectification or erasure of personal data or restriction of processing concerning the data subject or to object to processing.

Data protection officer (“DPO”)

If the data subject wants to assert the rights to request access to and rectification or erasure or restriction of processing and to object to processing, or suspects a violation of personal data, they may contact the DAC’s DPO:

- via mail: dpo@av.etat.lu,
- via regular post to the aforementioned address.

Proof of identity has to be included in the request (ex. copy of identity card or passport, licence number, etc.).

Right to lodge a complaint with a supervisory authority

The data subject has the right to lodge a complaint with the national supervisory authority CNPD (*“Commission nationale pour la protection des données”*, <https://cnpd.public.lu/en.html>).

Nature of requirement to provide personal data and possible consequences of failure to provide these data

The provision of personal data is a statutory requirement. The data subject is obliged to provide these data in order to operate UAS. Failure to provide these data will prevent the registration of the operator and thus the operation of UAS.

Existence of automated decision-making

Personal data processed by the DAC are not subject to automated decision-making.
